Note

Upper Limit on Disposable Assets:

The total value upper limit of disposable assets increases by NTD150,000 for each additional family member starting from the third person. However, the calculation of disposable assets does not include the applicant's self-owned residence or agricultural land with the announced present market value within NTD5,500,000. However, if the central government or governments of municipalities sets a higher allowance for the announced present market value when determining the middle-low-income households, the higher value allowance shall apply for deduction.
