BIOGRAPHY

Fang-Chun's main practice areas include civil, family, and debt clearance cases since she became a practice attorney. She started working at the Legal Aid Foundation in 2007, and has participated in civil activities pertaining to the legislation, amendment and monitoring of the implementation of the Human Trafficking Prevention Act. In addition, she provides support to the overstaying mechanism of foreign fisherman or crew at ports in Taiwan, and handles cases of socially vulnerable immigrants and migrant workers.
