BIOGRAPHY

Hua-lung Chuang has been providing legal services at the Legal Aid Foundation since finishing his legal intern at the Foundation. In addition to general legal services, Hua-lung is also the point of contact for victim rights protection affairs at the Foundation. He delves deeply into Taiwan's legal system on victim rights protection and in turn optimizes the process of victim services, at the same time, he is keen on issues pertaining to the rights of persons with disabilities and the development of the Convention on the Rights of Persons with Disabilities in Taiwan.
